“ *My heart goes out to Ron's family. Too many years had passed since I spoke to him, and I feel such a loss. The universe changes, especially with the loss of a father! My thoughts and prayers will stay with you for quite some time.*

“ *I was so sorry to hear of Ron's passing. I have know him for many years and always considered him a good friend. He was an exceptional businessman and sales executive. His humble nature coupled with his giving heart made Ron stand apart from so many others. Ron was loved by so many and I am certainly in that group. Please accept my condolences. I pray that Ron's life is an example for others of a loving, giving, caring, and trustworthy individual. He certainly will be missed. Sincerely, Kirk Banks*

“ Ron, I cannot believe you are gone! I remember the first time we met in 1993. You were working for Respironics. You had a fantastic inservice and presentation and always that warm and friendly smile. I always knew I could call and you would have the answer to any of my concerns when I first started in Homecare for West Medical. To your family, friends, present and past employees, we lost a man that was dedicated to whatever he set his mind to and to the end with Respitemc he built a company that has been and will ever be so well respected in the Central Florida Community for years to come. No more suffering Ron! No more pain! You are at peace awaiting our Saviour to wrap you in his arms. Until we meet again my friend!

“ Dear family. Sorry to hear you lost your loved one. May you throw all your anxiety/worry on God (Psalms 83:18) along with prayers. And the almighty will sustain you during this difficult times with that Peace that surpasses all understanding. (Phillipians 4: 6,7). May this message bring all of you a measure of comfort.
