

Ronald Lynn Sims

February 17, 1941 - January 5, 2025

Ronald Lynn Sims, 83, of Altamonte Springs, Florida, passed away peacefully on January 5, 2025.

Ron was born on February 17, 1941, to Lacey Lynn and Walter Bruce Sims. He graduated from Admiral Farragut Academy and went on to earn his undergraduate degree at Emory University. He then graduated from the University of Florida College of Law and passed the Florida Bar in 1967.

Ron had a lifetime career practicing family law in Orlando. He had a big heart and cherished many things, especially his love for family. His wife, Toni; his sister, Donna, and her sons, Randy and Gordon; his children, Kevin (and Matt), Derrick (and Kristine), and Colby (and Nikki); his beloved grandchildren: Tanner, Kendall, Parker, Cutter, Emma, and great-grandbaby Colton all held a special place in his heart.

Ron also greatly treasured his friends, his Sigma Chi fraternity brothers, his identity as a Florida Gator, his deep love for America, and his unwavering faith in Jesus. Ron was known for his humor, and he loved that gatherings with family and friends felt like a reunion of laughter and joy.

We find comfort in knowing Ron is at home with his heavenly family, probably sharing his jokes there too. As we remember him, we can't help but smile,

knowing he's still bringing light and laughter even in his new home as promised in Matthew 25:23.

Ron will be laid to rest at Glen Haven Memorial Park following a private family service.

“ I met Ron not too long after I moved to Orlando in 1980. He was one of the first attorneys I encountered time to time at the Orange County Courthouse who, I discovered, was also a believer in the saving grace of Jesus Christ. No matter how contentious the case, Ron was a gentleman who maintained his composure. One Sunday morning in the early 1980's, Ron happened to be sitting in the pew in front of me at Calvary Orlando (then Calvary Assembly of God). We struck up a conversation on a more personal note than usual. Somewhere along the line, we became friends. He always had a smile and a word of encouragement for me. Not to mention his wit! Pretty sure when summer comes I will look for Ron in the church foyer sporting a "southern" seer sucker suit, and a hat. I'm grateful for the comfort that comes from knowing he's home at last. See you soon, my friend.

“ Ron was a valued friend and member of Calvary Orlando. I first got to know Ron many years ago when he was my group leader for Financial Peace University at Calvary. He was always warm and friendly and had such a gentle spirit. He led through a quiet strength that endeared him to many. For the many years after the class, he always remembered and spoke to me with genuine interest and care. His big smile, kind disposition and wisdom and experience will be greatly missed!
