“ Rodney and Victor,
This is Dax. It's been a long time since we have seen each other but I wanted y'all to know that I was sorry to hear about your dad's passing. He always had a smile on his face when I saw him. I have some good memories of him running hoop nets on the river and working cattle at the Prideaux. I hope everything is going good for you two and everyone around you. Next time I get to Florida to visit my dad I'll let you know and I hope we can get together to visit then.
