“ My dear aunt Rosalie, thank you for being such a God given angel to me. You were always such a good example thru out my life. I will miss you terribly. You always took the time, even though you had your own problems, to check on me. Your love was so comforting. You turned simple moments into laughter and sharing, comfort and encouragement that will live in my heart always. I will see your smile and hear your laugh. You are no longer in pain, but in peace. You are now with Daddy, Mother, Granny, Grandpa, Tracy, dog family, and other family members in heaven. You are with your brother who loves you dearly, and would always have done anything for you. Lisa and Scott , it is so hard to lose your Mother, I wish you comfort and peace. I will always be here for you my dear cousins.

“ *Rosey was a kind, warm, caring human being. She was a wonderful mother-in-law. She always worried about me when I was traveling and always worried about Lisa to make sure she was okay when I was gone. She will be very much missed.*

“ *The first time that I met Rosey was in 2011's Christmas in Orlando. She was super nice and friendly to me and my daughter Elizabeth. I will never forget her kindness. I will never forget our fun times writing emails back and force with Rosey. Rosey is a great lady and a amazing grandmother, she will deeply missed.*

“*Rosey was a great mother, grandmother, and a great friend to all. Whenever I would see her she would always be in such a cheerful mood, she would lighten up the room and put everyone else at ease. She was a very caring person and a great human being. She always made that extra bit of effort to make sure that we felt like part of the family, that we were included, especially around the holidays. She will be sorely missed, gone but never forgotten.*

*Love,
The Frashier Clan*

“*Mom,
Thank-you for loving, worrying about my wellbeing, and praying for me. A Mother's love is a giving and forgiving love that is always cherished and never forgotten! We admired your strength, determination, and unwavering faith. We rejoice you are no longer suffering in sickness, but miss you each and everyday! I know that although you are with the family, dog children, God and angels, you are still looking out for us. Keeping memories and pictures close to my heart.
Love you always mom, Lisa*

Very special thank-you to our Tennessee family for being such an important part in her final service, and the beautiful tributes to our beloved mother. We love you!
