Rosalind was always "unapologetically Rosalind". She left an unforgettable impression on everyone she met. She loved to engage and get to know everyone she met, and you would love her after she did so. You would always find her beautifully dressed and made up anywhere she went. She didn't just buy her fashion, she made it. Most times sewing or making beautiful clothes and hats. She was always there when you needed to talk, because you could always count on her to speak her mind. But most of all she was a loving Daughter, Sister, Mother, Grandmother (MeMe), Great Grandmother (GeGe), Aunt and Friend.
