“ Growing up, going to Nana’s and Pop Pop’s house was something I looked forward to. Seeing their car pulling up into our driveway to take us to it felt like almost another world filled with nanas knickknacks and stories from their past. Walking in the door and seeing a regal beautiful woman who exuded strength and confidence. Walking into their home I was surrounded by love. Even after I became an adult and moved away, whenever I came back, bringing my family in tow, we were once again welcomed with open arms and an open heart. Yours and Pop Pops love for each other was the kind that many admired from afar. While your body may be gone, your spirit and love lives on within me and everyone you have touched. Love and miss you. “ Nana, I will always remember our trips to the Navy base while staying over the summers (don’t worry, I still won’t tell anyone what you said to the other drivers ;)). I will also miss our Sunday get togethers and dinners. I hope you are still able to catch your favorite show Days of Our Lives and you have the opportunity to answer all the Jeopardy questions!

Love Dj.

“ Dear Kari & Dale - Thank you so much for taking care of Mother. I regret that I could not be there to help due to distance limitations. I know that Mother is now pain free and at peace and with Dad. I'm just so happy to have spent time with her during her final days. She took my hand and placed it upon her heart. That was one memorable and grateful moment. Thank you Mother. You will be missed.

*With much love,
Gary and Rhonda*

The Lord blessed me with you and Popop! In honor of you, I am now a Nana too, carrying on the tradition for you! We enjoyed our Sunday's with you, also! Thanks for taking me with on your bowling outings too! Enjoy your peace in heaven, until we meet again!

Nana I love you and will miss you very much. I will always remember you and Poppa. Such wonderful memories of coming over, eating and swimming, the smell of fresh cut grass. Thank you for being such a great Nana, now you can rest in peace with Poppa.

“ Mom. (Nanna) When marrying your daughter; you and Clyde (pop pop) welcomed me into your family with open arms and a big huge smile. The years to follow were full of enriched love and enormous support from you both which I am eternally grateful. Together, we experienced so many good times and successfully got through tough ones. You were full of life and enjoyed many hobbies (Oil & watercolor painting / bowling / Scramble / Cruising / shopping sales / cooking every Sunday-holiday family dinner. I will forever remember and cherish the talks and laughter we shared on our trips to Beauticians, doctor appointments, restaurants, cruises, and shopping. I know you are finally at peace and with Dad (pop pop). When pop pop sees you again, I can hear him say “Ole Boy, Ole Boy! (His favorite saying when he was excited). Your daughter, Dale Jr., Casey, Kristen, and I will miss your physical presence; however, we know both you are still with us in spirit and thoughts. Your love and memory will forever be with us. Your son, Dale
