

Rose M. Shrenk

March 22, 2010

Rose Shrenk, 54

The laughter passed to heaven on March 22, after an all too short battle with cancer. Beside her was her amazing husband Michael, who never gave up hope and sought relentlessly for new treatments, her most precious daughters Michelle MacLean 25 and Stephanie 10, who are left to continue her legacy of love, life and laughter. Rose never put herself first. Even in sickness Rose was always a mother first, a loving wife, and a true friend to those who loved her. Born April 6, 1955 in Margate, New Jersey where Rose and Michelle lived until 1996 when she met her soul mate and moved to Florida. Rose had a heart of gold with overwhelming compassion for those around her as a nurse at the Center for Special Surgery where she loved to work after serving for 19 years in ICU. She was predeceased by her parents Ann and Jerry Strauss and her brother Marty.

Friends are asked to join in celebrating her life on Saturday March 27th 1-2PM viewing 2PM Service at R Lee Williams Funeral Home 3530 49th St N, St Petersburg. Visit rlwilliams.com for more info. In lieu of flowers donations may be made to Stephanie c/o Rose M Shrenk Irrevocable Trust at Wachovia Bank.

“ *Judy Falkinburg Rush - Friend posted a condolence Dear Michael: Please accept my deepest sympathies. Many years ago, when I heard that you and Rose had married it was said that you had both fallen madly in love with each other, and I thought how wonderful that was. I'm so glad you found each other and I know you'll cherish the time you had together even though I wish it had been longer. Her laughter has passed on to heaven - what a beautiful way to remember her! And in heaven, she is with the Lord watching over you and your daughters. You're in my thoughts and prayers, and I am believing that God will keep you in the palm of His hands and close to His heart in your time of grief and sorrow. Sincerely, Judy*

“ Karen Cassidy - Friend posted a condolence Richard, Jasmine and I would like to extend our deepest sympathies to Rose's family and friends. Rose told me once that her family relied on her--and she took that role very seriously. Her loyalty and dedication to those she cared about was clear. She was always willing to coordinate schedules, stay on top of it all, and tackle the issues. Rose was a fun and outgoing person who had a great way of saying it real but also with a big smile. One memory about Rose
