“ *Sandra Hotz - neighbor posted a condolence I was out of town when Wendy called me about your Mom. Words can't express my sadness for all of her family and I have been praying that your hearts will after a time be full of all your memories of growing up on 16th Ave. and these will be with you forever. Your Mom and Dad were so proud of all their family and dearly loved all of you. I did not know that she had been sick since the only news Ed and I ever got was from Pat and we have not seen him for awhile. Please pass our deepest condolences to all and know that she is with the Lord.*
