*John,I was just searching for You and Rose 🙏 I am so truly saddened by this news.I have had a special place in my heart for her and spoke of our " Adventures" in HRC history...She was so kind,so funny with her dry sense of humor and coy smile.I moved from my home state of Florida and lost contact with so many.Hope the years of memories together and friends and family have the joy in your hearts for the gift of her beautiful soul.God Bless you all! I will have to have a Grande Marnier in her honor!! You made her so happy.Always,Beth Butchko.Orlando,Paris,St.Thomas ❤️🙏✌️*

“ My earth shook a bit when I heard the news about Rose passing away. The BEST memories in my life contain both her and John. If it wasn't for the Storms'...I wouldn't have seen the most amazing places on this planet or have met the people who are still the most important people in my life. The heavens gained a very bright star on Wednesday and when I look up at the skies..I will smile and see her face. Rose was a friend, a mentor, a shoulder to cry on when she and John had the unenviable task of informing me my sister passed away in Russia. I can hear her recognizable laugh/chuckle and know she is training the heck out of heaven right now. John...my deepest sympathies to you and your family. I am holding you in my heart.

“ John,  
I am so sorry for you loss, my heart goes out to you and your family. I have such wonderful memories of you and Rose...we had a lot of fun back in the day! :) She was a kind, loving, sweet, generous person...beautiful inside and out. All of the beautiful things friends have said only scratch the surface of who Rose was. She was a wonderful person, will be greatly missed, but never forgotten.

“ I can't think of one single memory of my days with the Hard Rock Cafe that don't conjure up thoughts of fun times with John and Rose. My respect level for both of them is so high; they taught me so much, and literally showed me the world. John, I consider you and Rose family, and I send my heartfelt condolences to you, please know that you both touched me deeply and that I think of you fondly all the time. Please let me know if there is anything at all I can do.

*Rose will always be remembered by me as a source of fun, laughter and shenanigans. I loved knowing her, and my life was truly better for it.*

*I can still see her in cowboy boots and hat at Cheyenne Saloon, doing the obligatory waitress dance. She was so cool and beautiful. And then I got to know her at HRC and we clicked immediately. So many memories of her; so many laughs. Too soon gone....*

“ Dearest Rose, your passing has stunned me so deeply. I can only hope you have gone with the knowledge that you made a permanent mark on the hearts of all of us who were fortunate enough to have met you. Nor time or distance can erase all the fond memories, or the love that you carried with you everywhere you went. You were right when I told you I was gonna be a mother. I never forgot your words, and I never will. You were right, as always. Rest easy, Rosie. You 'll be part of us all forever. Your star will always rock in our little piece of heaven...
