My favorite memory of Rozie and I have so many was....when I met Bill and told Rozie I had met the man I was going to marry she made me baked zitti. Rozie knew he loved Italian food. Rozie said to put some flour on my counters and tell him I made it myself. Food to Rozie was a way of showing her love. I was greatful for the meal because I didn't cook. I married Bill and Rozie continued to cook for Bill. I miss Rozie so much she was like a sister to me! My heart aches for you and her children. But I know she is with Jesus. Hugs
