

Rosemary J. Schultz

January 29, 1942 - September 15, 2019

Rosemary (Rose) J Schultz found peace on Sunday, September 15, 2019 at the age of 77 years. She passed away peacefully at her home in Casselberry, Florida. Rose was born on January 29, 1942 in Waukesha, Wisconsin to parents Walter G Steckling and Marion E Lembck.

Rose was a beautiful, intelligent, kind-hearted mother who will be dearly missed. She took great pride in designing and maintaining her beautiful lawns and landscaping at homes both here in Florida and Wisconsin. She was a stickler for detail and it showed, impressing everyone who saw her great work. Rose loved animals of all kinds and cared for many, but was especially fond of standard poodles. She was the dog sitter, the dog whisperer, the dog lover. Rose was a hard, persistent worker until the end, toiling day and night until the project was done. Nothing was too daunting for her. She could also be found most Sundays cheering on her favorite football team, The Green Bay Packers a true "Packer Backer".

Rose is preceded in death by her parents Walter and Marion, sister Penny, brother James and her beloved daughter, Jane.

She is survived by her daughter Jill (Joe) Weinstein and son William (Sidney) Dick. Grandchildren Amanda, Nicholas (Cole), Channah, Maxwell, Aidan and Macalester, former husband William Dick, and in-laws Julie and George Grall who were great friends. Also survived by many loving neighbors

and friends.

We will “raise a glass” to Rose to remember her, in lieu of a service. Please join us at the home of Jill & Joe Weinstein, 1430 Jamie Lane, Casselberry, FL 32707 on Saturday, November 2nd 2019 from 4 - 6 for a toast and celebration of her life.

“ Rose was a beautiful and amazing lady. She touched our hearts and those of our fellow neighbors. It was always a treat to see Rose working in her yard and stop and visit every time you went by. We love you Rose and miss you dearly. Leonard referred to her as the frontier lady because she worked relentlessly in her yard, rain or shine, 100° or 60°. Rose will forever have a place in our hearts.

Rose was such a kind and gentle woman and lovely neighbor. So sad that she never realized how highly she was regarded in our small community.
