“ She was my Spanish teacher and the best one I've ever had. She always played some type to fun game in Spanish with us like lock down and the puzzle game where you match the picture to the word in Spanish. She always came in with a smile until she stopped coming for weeks and that's when the administration told us that she wouldn't be back in a while because she was sick. I was in 4th grade at the time and the 4th, 5th, and 6th Graders were going to go on a field trip to Washington DC. Mrs. Gallindo was planning it. When she passed, they canceled the field trip. I know that her kids Lucy and Antonio miss her like everyone else does. I am now in 5th grade and at a new school and I still miss her and will never forget her. We love you Mrs. Gallindo to the moon and back❤️ Love Ryele

“ I would like to express my deepest sympathy to family and friends. May all of your good memories be greater than your sadness during this difficult time. (Isaiah 25:8)
