“ Joe and family, I am so sorry to read about Roxanna's death. Memories of how long we shared lives growing up and good times throughout our careers. We crossed paths many times when I was an RN at St Francis ER and you were Poughkeepsie PD and throughout you and Roxanna at Hudson River. Lost touch when you moved. It's sad that time has passed so fast and miss the old ones. Hope your health has stabilized. Think of our antics so often. God bless Roxanna and you all.

“ *So many of us loved and will miss Roxanna. She was a fantastic caring nurse and friend. There was a group of us nurses who met on a regular basis for dinner, visiting and laughter and we had the best of times. Sadly, not only did we lose Roxanna but another one of our group (Celeste Theodore) passed the same morning @ almost the same time. So, I know Heaven just acquired 2 very special women.
