“ Roy was a constant in my life for the last 8 years. When my husband I moved to Florida we knew no one. When we met Roy he was instantly like family. He was kind, caring and had a general interest in our well being. We shared a love of old country music, cold Miller lights and finding the good in life. My heart is broken but I know my sorrow is selfish and you would say "go on Maria...next time" ...I pray for that next time.
