“ Roy will always be in our memories and heart. 30 years of friendship made us the very best of friends, creating a bond that only that amount of time can seal. We were each the others confidant and buddy. "ASSoulbrothers" he would say. We'll miss him but will always remember what he stood for and the clever words he shared. There were infinite colloquial sayings gathered and retained for every occasion. And now, one he used frequently with a bit of humor comes to mind. Appropriate or not, We say farewell. But only now, to take that eternal celestial everlasting dirt nap. Thanks Roy, My friend, My confidant. Jim##imported-begin##Jim and Teresa Johnson##imported-end##
