“ Hello Bhavana and Shilpa - Please accept our heartfelt condolence on passing away of your mother. You may not know me, but Rupa Sheth, affectionately known as Maji, was known to many UCF students who had come from India in early 1990s. She always carried her affectionate smile and cheerful youthfulness and pampered all of us with many homemade treats and was always eager to assist us with our grocery shopping and advice. I was more fortunate to know her on a "little" personal basis (being house mate of Adesh for 2 years) and it was my honor that she was able to attend my graduation ceremony at UCF in Dec 1993. Since graduation I met her on a couple of occasions in Cleveland, and she was always very cheerful, full of life and had vivid memories of our time together in Orlando.

*Maji will be missed by many Indian students who came to know her during our days in UCF. Rajani and I would like to share our sincere condolences to your family and friends. May her soul rest in peace.*

*Best Regards,*

*Sanjay Sinha*
