“Rusty was always so nice to me when we worked at "The Resort On Cocoa Beach" she knew Nick would never come into Chimps daycare but we did see a little of you from time to time madi when you joined some of the activities. Your mom would sometimes come in and ask if I had seen either of you and ask if I did to please have you to come see her at her desk. She was a strong woman, raising you two on her own and she was proud of the both of you. My Prayers for you and your family are for the peace that passes all understanding, for we grieve for ourselves really because our loved one is in a far better place than here.

No More Pain and No More Tears

*I am safely in heaven dear ones; Oh so happy and so bright!
There is perfect joy and beauty in this everlasting light,
All the pain and grief is over, Every restless tossing passed;
I am now at peace forever, Safely home in heaven at last.
And he came himself to meet me, In that way so hard to tread;
And with Jesus arm to lean on, could I have one doubt or dread?
Then you must not grieve so sorely, for I love you dearly still;
Try to look beyond earths shadows, and pray to trust our fathers
will.*

I hope this gives you a little peace in some of your most troubling moments.

Our thoughts and Prayers are with you, The Mortensen family

“ A few short weeks ago, Rusty was happily posting on Facebook, usually sharing a bright spot of sunshine and her famous smile. My heart is heavy with our loss, and still reeling at how swiftly it happened.

My deepest sympathy to her children, family, coworkers, and close, personal friends. May you find comfort in knowing that she touched many lives in a positive way and that she will always be with you in spirit. Watch for her in the butterflies, the sun, a gentle spring rain. She'll be there. God bless.

“ *Rusty, I remember the times we got together for a drink & talked for long periods of time about how great our kids are but also the mischief they would get into. You LOVED your kids & no matter what life threw you that always shined through!! We will ALWAYS be here for Maid & Nick....the boys have always thought of them as their brother & sister & they never have to worry about being alone. It is absolutely AMAZING how many people have shown support for you guys this past week.....that in itself says so much about you & how people feel about you & the kids.*
