“ *Tim Brett - Old friend of family posted a condolence My prayers are with your family at this most difficult time. Wayne, it must have been such a joy to work with your dad all of those years and also on the many race cars the two of you built. I miss those early models at Golden Gate Speedway. Hugs to Micky and your family.*

“ *Charles Ford - Friend posted a condolence Wayne, Mickey and the whole family - Beth and I are sorry for your loss. We both lost our dads 2 years ago and think about them often. Your dad must have been a great guy to have raised a son with your integrity. We hope for you to find some peace in this difficult time. The best to you and all those you love. Charlie and Beth*
