“ I will always remember Rusty as not my boss but my friend in the car business who was always beyond reproach! Rusty was the type of person that always went out of his way for others ALWAYS. Such an incredible loss to our society. RIP Brother!

“ Rusty was my boss but also my friend. He had an engaging personality, great wit and a good heart. My years at Don Reid Ford were the happiest in the business. My condolences to his family.

“ I thought of Rusty and the family this weekend while you bid him a final farewell, my sympathy to all. When I think of Rusty, I smile, I worked at Don Reid Ford back when he was in his 20's, we had such a fun group of "work friends" that spread to being friends. Sometimes a little wild, sometimes just acting our ages, like the "management", some of us would do the "run" through "Tom & Jerry's drive through bar, ride around for a bit & back to work, sometimes we met at Steak and Ale, just a bunch of friends having good, clean fun. lol. He was a good guy, a big tease and a great worker. I was extremely blessed to have worked with all of the staff of Don Reid Ford back in the day, from Don Sr. to the parts drivers it was family, I credit my success in business to the years I worked there. I was so sad when I heard of his passing, too young, God Speed Rusty! Mary Ellen (McDonnell) Galaida

“RLR” as I frequently called Rusty was a treasured friend. Best Man at a marriage, loving husband and father. We shared many adventures in the 80's. From snow skiing in Wisconsin to sailing the remote Caribbean islands. I will deeply miss him. God bless Marti and his children. ❤️
