“ Dear John,

I was so shocked and saddened to hear of Ruth's passing. She was so vital and the epitomy of a lady. I will never forget my 3 years as her assistant as I learned so much! Many of her lessons still still apply today in my own business. Her laughter was contagious and we had many moments that allowed that to take over to the point of tears! I will cherish our friendship and her memory always. My deepest condolences to you all. Her eyes would just sparkle with love and pride every time she spoke of her family.
