You are like a second mom to me. I know you were always there for me. I will never forget the time you came to my house to check on me when I was sick. I will always have a special place in my heart for you. I love and miss you.

“ *I always felt God Gave me an extra Mom when it came to you. I will always remember your words of wisdom the smiles and the tears we shared, You were a true blessing to me and so many others. You and my Mom were two very strong women and I proudly looked up to both of you. I will deeply miss you and knowing I will see you again makes it a little easier. I love ya Ma*

“ My name is Heather Nelson, "Kristi", the youngest blood-granddaughter. We have lost a very strong woman, but I am glad to report that she died among all of her family members, who were laughing as they looked over old photos from years past and sharing fond memories shared with her.
