“ *My main relationship with Ruth was 4th-Thursdays duplicate. I always enjoyed playing against her because, as partners, our bidding practices sometimes differed! I still remember when I responded 3NT with 9 points to her opening 1NT. She was looking for Goren's 10 points and, when she went down one trick she told me it was because I was short a point! We've been laughing about that for years. She was great fun to be with and we thought alike in many other ways. We were on the same page politically! All my love to the family. Scottie*

“ Ruth was so sweet, full of life, and joy. The game of Bridge was our connection. Her knowledge and skill amazed me. It was through this game that Jim and I met Mack. Ruth proved that God sends angels into your life, even later in life, to brighten your day and restore your soul.

“ *Rest In Peace my Precious Friend, you are truly my sister. During our 60+ years of friendship we have always managed to find our joy, no matter what was going on we found it and we held onto it. I wish I could talk to you right now, because I need you to help me find it. I know it's still around, we always told each other that. That is only one of many many many special memories we share. Thank you for sharing not only your life with me, but the lives of your children and their families with me, plus the rest of your family and friends. My mother would smile every time I mentioned your and Mack's names. Y'all made each other laugh. Your dad made me laugh. We talked a long time last week and you said tell me something funny your mom did and we had another laugh. I will love you and miss you forever. And there will be joy again my dear Mack, Brett, Derrick, Tracie, and all your precious families. I love you all, I will see you when we can and we will celebrate a life well lived. Sincerely with love forever, Faye*

“ Aunt Ruth has been cherished by my family and myself. She personally provided me with some of the greatest advice of my life and , along with uncle Mack, supported me through challenging times. I will greatly miss the phone calls and “catching up” with aunt Ruth that I got to take part in over the past several years. The pride she shared with me about the person I have become made me always smile. I know she touched everyone in her life this same way and her legacy of a wonderful family and loved ones is proof. Our prayers and love are with everyone during this challenging time.

With Love-

“ My family was heart broken to hear the news of Ruth’s passing. Ruth was a great neighbor and an “adopted” grandmother to my small children. They would always ask “can we go play with Mrs Ruth and Mr Mack” she was always so kind, patient and endearing to them. Ruth will be missed greatly. Our deepest condolences to Mr.Mack and the family.
