“ *One of my oldest friends whom I love like a sister. We will miss you greatly Sandy but I know we will see you again one day. We have laughed a lot over the years and while living in Fla., Gary and I watched Stephie grow up. You have raised a wonderful daughter who is the epitome of you, beautiful inside and out. No more pain girlfriend and I thank God for that. Rest in peace my friend and know that I will be here for Steph.*

“ Mom I miss you more than you know. I will always love you to the moon and back. You will never be forgotten and I will always know you are watching over me and you're in a better place. Listening to music is really going to get to me especially the songs that remind me of you. I'm going to be strong because I know that's what you would want me to do. Love your daughter and best friend,  
Stephie Lee
