“ *Cindi Pawlik - good friend posted a condolence Sandy had such a big heart; it's hard to imagine her doing anything else but nursing. She and I worked together as LPN's at Northside for the 20 years I spent there. We continued to meet each other for lunch whenever we could after we both retired. The subject of our conversations was mostly about her loving husband Ken, and her adorable grandchildren. She truly had a heart of gold, and she will be missed very much. Please accept our deepest sympathy at this difficult time. Cindi and Gary*
