

## Sandra Alice Colon

January 9, 1971 - November 19, 2025

A wife. A mother. A grandmother. A sister.

This is the legacy we have from you.

It is deep in our hearts the passing of Sandra A. Colon. Sandra leaves behind husband Edgard, her daughter Kyanna. Her brothers Victor and Frankie. Her beautiful grandchildren Lily, Alex, Ellie, Maya and Anastasia. She also leaves behind a circle of extended family and friends.

She is now safe and no longer in pain and is joining her late son Bebo.

Sandra was born in Longbeach, NY and moved to Ocoee, FL.

She loved not only her family, but she loved taking walks. Coloring. The ocean.

Sandra will be truly missed and will forever live in our hearts. Her legacy will forever live on. She will be remembered for her laughter and her conversations.

She will be remembered for all the love and care she gave to family.
