

Sandra Ann McDonald

June 12, 1942 - November 18, 2023

Sandra died peacefully in her sleep at home in Winter Springs, Florida, after being diagnosed with cancer just one month earlier. She was a loving daughter, sister, mother, aunt, grandmother and great grandmother and loyal friend to many. Sandra is survived by her sons, Michael (Denise) McDonald, John (Lorena) McDonald, and daughter, Judy Moore and 7 grandchildren and 2 great grandchildren.

Originally from Escanaba, Michigan, she raised her family in Central Florida until moving to Appleton, Wisconsin in 1976 to pursue her father's family business after his passing. Sandra moved back to Florida in 1989 to the Winter Haven/Bartow area but was a resident in the Orlando area for the past 15 years.

Sandra was a professional businesswoman throughout her working life and held positions such as Mortgage Loan Originator, Senior Administrative Manager and Business Owner to name a few. She was always eager to lend a hand in any organization or social group she joined and would volunteer and take charge if needed to keep things running smoothly and consistently so that everyone benefited from her

behind-the-scenes efforts.

Sandra was a member of the Winter Springs Senior Center and a member of a bowling league for the

last several years. She was a great bowler with an average of 142! She is missed dearly by her friends

and family and will live on in all our hearts and minds.

Tribute Wall

JM

“ We had Mom’s memorial service on June 12, 2024 which would’ve been her 82nd birthday.
