

Scarlett Elizabeth Middleton

July 12, 2018

Our beloved Scarlett Elizabeth Middleton, of St. Petersburg, Florida (age five) entered the Kingdom of Heaven on July 12, 2018, suddenly and unexpectedly.

“She is clothed with strength and dignity; she can laugh at the days to come.”(Proverbs31:25).

Scarlett loved playing with her brothers and sister, dancing and ballet, swimming, flamingoes, jigsaw puzzles, and Disney Princesses, especially Ariel from the Little Mermaid. Her favorite thing was family snuggle time. She spread kindness everywhere by sharing her sunshine with everybody she met. It was often said that, “She would bring sunshine into any room.” She was truly a lovely child.

“It never hurts to keep looking for sunshine.” (Eeyore from Winnie the Pooh)

Our Sweetheart Sissy was selfless and giving even at her young age. When given a treat, big or small, she would give to others first, even if only one was left. She rarely asked for anything. Her humble, content and selfless spirit showed a grace we all should hope to possess. It was so easy to want to spoil her with gifts and surprises because she was always so grateful and appreciative.

“A little consideration, a little thought for others makes all the difference.”
(Eeyore from Winnie the Pooh)

During our last weekend with her, we took her on a special Big Girls’ Weekend, just Holly, Gummi, and Scarlett, celebrating her fifth birthday in Orlando, where we created a lifetime of memories in one weekend. Her Mommy and Grandma Trott (Gummi) bought her a new American Doll girl and gave her a magical Princess Ariel makeover at Disney. Her smile did not leave her face all weekend. We know that the weekend was a gift from God as a beautiful send-off from this world to the next and practice as a princess for a day here, preparing for an eternity as a Princess to the King in Heaven.

While the Middleton and Trott families are experiencing excruciating grief and anguish, they take solace in the fact that Scarlett is now experiencing joy that none of us here on Earth can even fathom. We also feel tremendous gratitude to God for blessing us with five years in the presence of his angel child Scarlett.

“Rejoice always, pray constantly, give thanks in all circumstances; for this is the will of God in Christ Jesus for you.” (1 Thessalonians 5: 16-18).

Her favorite song was “You are My Sunshine” which is fitting since she was everyone else’s sunshine.

“You are My Sunshine”

You are my sunshine, my only sunshine
You make me happy when skies are
gray

You'll never know dear, how much I love you

Please don't take my sunshine away

The other night dear, as I lay sleeping
I dreamed I held you in my arms

When I awoke, dear, I was mistaken
And I hung my head and cried

You are my sunshine, my only sunshine
You make me happy when skies are
gray

You'll never know dear, how much I love you

I love you more every day

“ Ida Williams - Friend posted a condolence She was so very, very special And was so from the start You held her in your arms But mainly in your heart And like a single drop of rain That on still waters fall, Her life did ripples make And touched the lives of all. She's gone to play with angels In heaven up above So keep your special memories And treasure them with love Although your darling daughter Was with you just a while She'll live on in your heart With a sweet remembered smile..

“ Jane coulman - Friend posted a condolence *What a beautiful beautiful gorgeous child. How lucky you were to have had her for the short time God gave her to you. God is good. Life is beautiful. Talk about her, laugh at the joy you shared with her, keep her always alive. That little sweet five-year-old has touched more lives than she will ever imagine. There are no magic words and sometimes pain simply must be in endured. KNOW that life holds much joy and happiness for you in the years to come - even though this hole will live in your heart forever. And you will never stop missing her and you don't ever want to stop missing her.*
