

## Scott S Seegert

June 1, 1972 - July 22, 2020

Scott Stuart Seegert, died unexpectedly in Franklin, North Carolina at the age of 48.

Scott is survived by his wife, Trena Seegert; Son, Austin Seegert; Stepdaughter, Taylor Streeter; Father, Jon S. Seegert; Mother, Linda Grant; Stepfather, Steve Grant; Sister, Shannon (Paul) Griffith;. Sister, Riley (Andrew) Gardiner, Nephew, Bryce and 2 Nieces, Vivian and Parker, loving in-laws and many extended family members and close friends.

Scott was born on June 1, 1972 in Oakland, CA . After graduating from Lyman High School, Scott furthered his education by receiving his degree in Mortuary Science at Gupton Jones College. He pursued his career by working in the funeral industry for over 20 years as a Funeral Director and Embalmer. In 2013, Scott married the love of his life, Trena.

Scott was a man of many talents, he had a passion for “fixing things”. If you visited any homes or businesses Scott patronized, you would be sure to see his handiwork or something beautiful he had built. Scott and Trena shared a love for Nascar and spending time at Nascar events. They also shared a love for the beach, spending time with Austin and Taylor, and their 3 dogs, Chio, Hope and Cassie. Most of all Scott loved, spending time with his family. Whether it was enjoying his favorite holiday, Thanksgiving with the entire

family, drinking morning coffee in the mountains with Mimi and Pap-pap, spending time visiting his son, Austin who is currently serving our country in the US Navy, Scott was always treasured family time and loved them unconditionally.

All during his life, Scott had a huge heart; sharing kindness and love in any way he was able. He loved helping, and was constantly trying to put a smile on someone's face or a laugh in their voice. He will always be remembered and hold a special place in our hearts.

Services will be held a later date. The family requests in lieu of flowers, donations can be made online to Teen Challenge of Franklin, NC at <https://mtcots.com/donate>.

“ *I'm sorry for the time I let our cat, Madonna, claw her way down your back. I will always remember how you'd wipe your sweat on me after playing basketball in our driveway and how you'd pay me a dollar to rub you back while we all watched TV. I remember how you'd guess "George Washington" to every trivial pursuit question. I remember riding the motorcycle Dad gave you around the neighborhood. You were the brother I never had. You are so missed.*

“ *Scott was such an excellent funeral director and embalmer and was such a loyal friend. I was lucky to have known him and I use some of the knowledge he passed onto me nearly every time I work.*

“ I meet Scott back in 2008-2009 through his sister my friend dear Shannon at Dr Herzog's office/SSSG. He came in to say hello to Shannon. I remember him telling me he was working at the funeral home. We had a small talk and I thought to myself what a great sweet guy very easy to talk to and very handsome. I told Shannon about it. I know his sister Shannon loved him very much. He will never be forgotten 🥹  
My deepest condolences to Shannon and all his family. Prayers and peace for all. May Scott RIP 🙏🙏🙏🙏🙏🙏

“ Squirrel. I can hear your voice now, calling me that. There was probably not a time that I saw you that you didn't make me laugh or smile. That's saying a lot since we saw each other often and for years. Because of you, I met your amazingly hilarious wife, Trena. I know how much you loved her and your family. You will be missed. Gone far too soon. Rest In Peace Scott. Sending Love, Stephanie Jolley

“ I met Scott when he was 14 years old. A good-looking, well-mannered young man with so many of his mother's traits; kind, generous, loving, just a wonderful young man. I just found out about his passing today, I am in shock and so very, very sad. He will always hold a very special place in my heart. Ruthie Mullis

“ Scott was a treasure to so many people. Scott was a wonderful guy and excellent funeral director. Scott was so kind and helpful to families he assisted especially Our Lady of Hope in Port Orange and the Halifax Area. He will be missed by so many people who cared about him with love and concern. Scott was a good friend of mine, a wonderful supervisor and mentor to me in the funeral industry. Scott went beyond the call of duty for his families. Gone to soon my friend. Rest in Peace, Scott.

“ *Trena and family, I'm not often caught off guard by unexpected news, however, hearing of Scott's passing really shocked me. He and I put a lot of miles on together, and I'm not talking about his Camero. It ticks me off that we didn't keep in touch over the years, he was my bud and we enjoyed some real good times together, shooting pool, downing beers, Halloween at the Fly-In, the list goes on. He was a good man and left his mark on alot of families he served. RIP Scott, till we meet again.*

“ *It saddens me to hear this news. Scott has a huge part in my family,  
as he was the one who took care of my little sister when she passed  
away over 20 yrs ago. We was so compassionate with my family in  
such a time of grief. A good friend. Thinking of his family and of  
course Austin right now!*

“ *Sending my deepest sympathies and condolences to Scott's family and friends. I was fortunate enough to work alongside Scott during my internship and I am eternally grateful to him for sharing his knowledge and experience with me. I always called him the modern old-school embalmer and there is absolutely no way I would be as successful as I am without him! The first time he told me that I was a "good little embalmer" was truly one of my proudest days! May the love and support of all who crossed paths with Scott continue to shine upon the many people who loved him.*
