“ My heart is broken, with the news of Sean’s passing. I had not been Bill’s assistant for very long, when Sean was born. My first time meeting Sean was in the hospital, after he was born. During my 20 years working for Bill, it was so evident what an amazing individual Sean was. A gentleman with a kind and caring heart. Sean and Gretchen were raised in a very close, loving, and wonderful family. There are just no words to express to Bill, Pam, and Gretchen. I send love to you, and I pray that somehow your deep faith in God will help with some peace. With great love, Karen Wehn.
