“ *it was hard to say goodbye to my dear childhood friend Sharon, after knowing her for over 50 years. I know she is at peace now, and her loving family Graham and Cliff took such loving care of her. My prayers and love go out to them as they take time to heal and recover from this loss.*

“ I've known Sharon since we were at Boone High together. We lost touch for many years, but reconnected several years ago. When we found each other again, it was like I was grounded again and no time had passed between us. I was fortunate to be able to spend time with her before she got sick. I will miss her so.....she was a bright light in my life. I'll see you again, my dear friend.

“ It is hard to believe after 30 plus years of friendship and great moments we have lost our dear friend. Those years past far too quickly, but your love and friendship will remain for all our lives. We are comforted that you are at peace and suffering has ceased. We will celebrate those good times and memories with Cliff and Graham
