“ *I came up to Orlando last July, and met Shawn at Bahama Breeze. I had her Iced Tea and a bowl of lemons waiting for her 😊 We had a great time, and talked and laughed the whole time. It was great to see her, she looked good.
When my mom died, she didn't let a day go by, without a phone call. I miss her so much, and I will miss her forever. I love you Shawn 💕*

My love and prayers go out to your loving family; you all showed amazing strength and support to Shaun through her 3 year battle. I was blessed to share her journey and grow to love her as she fought her amazing battles. Shaun will be missed by so many folks who love her. She was a VERY SPECIAL FRIEND to all of us at WALK ON WATER...we will miss her sweet stories, laughs, and love for her Vera Bradley and Pandora: it was a pleasure to spend time with her and Erin every time they came in to see us.

“ *There's no way I could share "a" memory about Shaun. I've known her since early grammar school and I practically lived at her house until the Dillon's moved to Florida. My house was a block away. We traveled through the Midwest going to Moody Blues concerts-- always sitting in the front row. She was able to come to Chicago two years ago for a school reunion. She had been diagnosed by that time but that was not going to stop Shaun from coming. Erin came with her and we all had a wonderful time Shaun had such a good time and everyone loved Erin. It was the last time we all saw her. She looked great. Shaun had such an impact on so many of our classmates because of her infamous mixed parties which Mrs Dillon constantly chaperoned. We all have our own stories about those parties. Maybe others will share their own story. Shaun, you are much loved and greatly missed.*

“ *Aunt Shaun was not only an Aunt to be but much like a mother, we shared very common interests, always had something to relate about. She always brought a smile to your face whenever you mentioned her. Anytime my phone rang after 10pm it was 9 times out of 10 always Shaun, being that the night owl she was it wasn't uncommon to get a late phone call and to have a 10 minute conversation that lasted much longer. You will be very missed and never forgotten, I will always cherish the wonderful moments we shared at many birthday dinners, holiday and special family events. Love always, Mike Nigro*
