“ *Don Zabriskie - former employee posted a condolence I'm so sorry to hear of Shelby's passing. I'll always value his guidance and strength and remember his great sense of humor. He was a fair and generous employer with a strong sense of principle, and along with his wife Betty built a strong company where I've worked since he brought me aboard in 1984. May God bless and keep his family in the assurance of eternal life.*

“ *Bill Findeison - friend posted a condolence I am very saddened to learn of Shelby's passing. My thoughts and prayers go out to his wife Betty and family. Shelby and I became friends when we were both in our twenty's when he sang in my choir at Lake Maggiore Baptist Church in the mid-sixty's. He was an energetic, friendly, funny and caring person who will be missed. I do enjoy having his son Barry in the Second Time Arounders.*
