“ Oh my dear Sheri,
I was going through some very old paperwork and found a letter of recommendation you wrote for me in 1996. I googled you and your obituary immediately came up. You were an immense inspiration to me so many years ago. I moved and we lost contact, but I never forgot you. Such a wonderful woman and mother! May your soul be resting easy as God has taken the wheel❤️

“ I was a classmate of Sheri's in elementary, middle and high school. I will always remember Sheri as a very cute girl who was shy but always had a beautiful smile. Her best friend in elementary and middle school was Janet Bridges. I remember seeing them riding bikes in the Woodlands all the time. Sheri was also a member of the original Kick em up Kids clogging team in 5th grade. My condolences to the Rosser family. I hope her life was as happy and bright as that smile on her beautiful face.

“ I loved going to the beach or hanging out by the pool laughing & listening to music all day with you. You are always there for my children and all children. Sheri was beautiful, like a butterfly. I loved your Autistic Butterfly Tattoo. You helped so many children and raised an amazing son.

You are a very special soul & I still hear your voice everyday. I hope I always do - you are imprinted on my soul. I thank god for that 1 year we lived together recently. So much laughter & love ❤️.

I will never forget all the wonderful times we had - so many. I know your spirit is free of a body that held you back from your purpose. Now you are free 🦋 I love you forever & my life is forever changed by your love and passing.

Cynthia Jones - Co-worker

This was very sad news to hear. Sheri really was a nice lady and good watcher of children. In every conversation I've had with her included something she had to say about God and her Son. Both of whom were the light of her life. Now, that's a good testimony.
