“ David and Steve, do you remember when she got upset with me. I do; she finally got over it and we got closer after that's and when my mother died we also started talk a lot on phone. I am so happy we got closer no matter the reason was. Love you all! Mary Catherine Hildebrandt

“ Memaw. I will forever cherish our time together. I will always remember how every year on my birthday, we would have a grandma grandson day. We would walk the mall, eat mall food, and you would buy my birthday present of my choice. Looking back now, it was never the gift that made the day special. It was that every year, we had one day where it was just me and you. Thank you for raising the most amazing human on earth, my dad. I know he is who he is, because of you. You were so proud of him, and us. You showed us and our accomplishments on the wall of your living room. I love you Memaw. I know you will always be with us, and I will always do my best to make you proud.
