“ Shirley was our neighbor for over 35 years. She loved to be outside and work in her yard. May God bless her loving family, give them comfort and peace.

“ What a wonderful Grandmother Nana was! She was always such an inspiration to me and taught me so many life lessons. Her patience, optimism and unconditional love blessed the lives of so many. Her smile always lit up the room and her love was felt by all. I will proudly carry on her traditonal 'fried bread' and being the avid family photographer. Nana, I love you so much and you will forever comprise a big place in my heart.

“ Thank you Steve for letting us know about our friend Shirley. She was a wonderful Christian lady and was loved by many, including me. She was so sweet and always had a smile and good word for all. Thank God, she is with him now. You took good care of her and we all appreciate that. Our love and blessings to you and all the family.
