“ We are so lucky to have shared so many incredible memories with Shirley over the years. She not only was a sister-in-law and Aunt but a very special friend to us.

Memories will always be in our hearts of the family united on many occasions in Dubuque, sharing a trip to Galena every time we visited and reminiscing over where Shirley was born, her home growing up and the church Shirley and Dick were married in.

We are so grateful that Dick, Shirley, Shawn and Jennifer were able to enjoy a visit to Australia which we still hold dear in our hearts.

On our last trip to Florida, we were able to share their home and saw the love that Shirley and Dick had for their family.

We will miss chatting with Shirley on FaceTime.

We are thankful that Shirley has been part of our lives.

Garry, Connie, Rachel and James send you and your family our love and sympathy. Our thoughts are with you at this time and forever.

May she rest in peace.

I met Shirley and Dick through my husband, Dick's cousin, Gary Felderman. We traveled to Davenport for a weekend to visit with them. We haven't seen them for quite some time, as they moved to Florida. Shirley had so many talents. She was a great seamstress. A great family. We enjoyed their company. We were sad and shocked to hear of her passing. Rest in peace Shirley! Gary and Jeanne Felderman. 🙏

“ I was a customer of Commerce Bank where Shirley worked for so many years. Hers was always the first face you saw as you walked in and her smile brightened your day. So much of banking is done on line these days but Shirley always called me by name even when she hadn't seen me in months and for a while years when I moved away. Those rare occasions when my husband did the banking she always smiled and asked him about his day and our family. Rest in peace, Shirley. Your family is in our prayers. Karen Goldsmith

“ Gracious, how I can pack everything about Shirley into this small space? She was such a giving and kind person that always made you feel like you were all that mattered in her busy life. I met Shirley during her employment at Commerce National Bank in Winter Park. I was one of many clients that would call upon her for assistance and especially during the 7 years that I lived in Mexico and continued banking with her. She was a dear friend and I loved her dearly. I will miss her presence but will always hold the memories of her dear to my heart.

“ My heart goes out to Richard, Jennifer and the entire Felderman family. Shirley touched my heart from the moment I met her in 2012 and continually throughout our friendship since that time. I so admired her work ethic and the way all of her friends spoke of her. I will miss her forever. She could shed a tear but also laugh wholeheartedly with you over the funny things that would happen in life. I know that she is in a better place amongst many angels. 💕💕

“ She was a great lady. We had so many great time playing games and watching our children grow up. I always enjoy the time they came to visit. Every time I go past your old house in Bettendorf I think of your family. Sending love and prayers. Joan

Yes she was. I met Shirley and Dick from my husband, Gary Felderman. I remember her sewing her draperies and bedspreads. Before I got to know her very well, they moved to Florida. We loved them both: so kind and caring. We met her son when he was just a baby. Although I cannot attend the memorial in Galena on Saturday because of health issues, my husband Gary and his 2 brothers, will be attending. RIP sweet Shirley 🙏🙏🙏
