“ *Catherine COBB - friend posted a condolence I am so sorry for the loss of Shirley. She was recommended to me as a babysitter by Amy Pope seven years ago when my son was a baby. She was a wonderful babysitter and friend and even after I no longer needed her she would stop by with cards and presents for the children and always had a warm thing to say about everyone. She was very very proud of her family and all of their accomplishments. I know there is a big hole in all of your hearts. I know she is with the Lord and her heart is singing and she is in my prayers. Much love, Catherine*

“ *Lee - niece posted a condolence I will surely miss my Aunt Shirley. She was a wonderful person who loved being involved with her family and other people. She was always busy helping others. She never turned down an invitation to gather with family. She always shared a pocket sized red leather album of photos. She was famous for making and gifting her "Aunt Shirley Sauce", a sweet treat of marshmallow creme, chocolate sauce, and peanut butter. Even though I am now 52 years old, she always sent me a birthday card with money inside! She was a straight shooter and shared her faith in kind ways. I could always count on her to catch me up on the coming and goings of my cousins and their families. I will always cherish my memories of Aunt Shirley.*
