“ I don't know if you would still get this message, but want to try anyway. We are the ones who usually sat behind you at Northland for w while until we started sitting on the other side and then finally went back to our old church, Faith Assembly on Curry Ford road. I, Jan, sang with Shirley in the choir at Calvary and always loved her. We know she's having a wonderful time now and one day we will all be together again when Jesus comes and fixes it all. What a day that will be when He comes for His saints and later comes to set up His Kingdom! Shirley will be missed until then, May the peace of the Lord surround you!
God bless!
