

Stephen Howard Logue

July 13, 1957 - October 26, 2014

Stephen Logue was born on July 13, 1957 and passed away on October 26, 2014 from a sudden heart attack. He precedes wife, Ella; son, Chris; daughter, Heather; two beautiful grandchildren, Evan and Alyssa; father, Howard Logue (Sarah); sister, Pam Bond (Steve); niece, Danielle Selvaggi (Tom) and great niece, Zoe; stepbrother - Matt Monroe (Lindsay), children-Chase, Emma, Mattie, and stepbrother - Ken Monroe (April) and children - Storm, Haven, and Blue.

Steve married his high school sweetheart Ella and never let her go. He was a loyal, loving, protective, supportive husband that would never quit working to ensure she and the family were always taken care of. He was spoiled rotten with a good woman that loved him as the vows say..."till death do us part".

Steve was the backbone of his family that held them together mentally, financially, and morally. He was the man that all men should dream of being and the friend that everyone was blessed to have known, laughed with, and made memories with... the memories with those he loved are endless, happy, and full of life.

He was an avid Florida Seminoles Fan and even taught his Grandkids to say "GO NOLES" on a regular basis. He loved fishing, shrimping, adventuring in nature, BBQ'ing, listening to live music, playing pool, laughing, and joking

around with the guys at the office with a horsehead to keep their workday light. He was all about making people happy. His sense of humor was the light of everyone's day and even when he was giving someone a hard time, it was in a fun, playful way.

It was impossible not to love this man and he will be forever missed by everyone that has known him. He was and will always be Steve aka TB aka TurtleBeak aka Turtle aka Grampy aka Daddy. Our beloved Steve.

In lieu of flowers to show love to the Logue Family, we have set up this account at www.gofundme.com/Logue to provide financial relief to this family in their time of need. This loss was a complete shock to the family and they were not prepared, as you can imagine. Any little bit can help give them security. Please visit www.gofundme.com/Logue for details.

“ My first memory of Stephen was through the introduction from my stepmother Linda (Stephens cousin) at her home. This is when I also met my cousins Chris and Heather. I was instantly welcomed by Stephen and his family as one of their own. I can recall a number of times I slept over and camped out with Chris and played card and board games with his family. It was always a fun filled time. I even had the pleasure of working with Stephen and Chris on construction sites, which always made work enjoyable when they were around. I am still taken aback at this sudden loss. He was a wonderful man. I wish I could have been there to share my stories in person. But I take comfort in knowing we will see each other again. I will not mourn, but celebrate his life. God bless you, Stephen. Rest in peace, cousin!
