

## Dr. Stephen Cornelious Vogt

June 13, 1953 - April 19, 2022

Dr. Stephen Cornelious Vogt, beloved husband, father, and “Papa” died on April 19, 2022. He was 68 years old.

Stephen was born to Bertie and Paul Vogt in Lenoir, NC on June 13, 1953. Growing up in Orlando, he received his BSP Pharm from Florida A&M University in 1976. He began his career at Florida Hospital where he met a beautiful nurse, Darcy Spalding. They were married in 1981. He completed his PharmD from Mercer University in 1982 and returned to Orlando to pioneer the metabolic support and home infusion program at Florida Hospital. Dr. Vogt was a results driven visionary and entrepreneur in pharmaceutical care--building InfusionCare/Avon Healthcare, ProHealth, multiple home infusion companies, and BioPlus Specialty Pharmacy.

To sum up his mission in life—“enriching lives.” Stephen wrote these words looking back on his life, “Blessed is the man who gets the opportunity to devote his life to something bigger than himself and who finds himself surrounded by friends who share his passion. In this way, I am disproportionately blessed.”

He was a big game hunter and fisherman; a gamekeeper and land steward; an author and speaker; a pilot; a trusted friend and voice of wisdom; a values-driven leader. He was a loving husband, father, and special Papa. Above all,

he was a follower of Jesus Christ. He is survived by his wife Darcy, his mother Bertie, his brother Michael, his sons Joshua, Caleb, and Jordan, and his grandchildren Annabelle, Mark, Nora, Fletcher, Levi, and Cadence.

Stephen died surrounded by family after a courageous battle with glioblastoma. In lieu of flowers, donations can be made to the nonprofit One World Health (<https://bit.ly/docvogt>).

A viewing will be held Thursday, April 21st at 7:00-8:30pm at DeGusipe funeral home in Maitland with a celebration of life service to be hosted on Friday, April 22nd at 11:00am at First Baptist Orlando in Henry Chapel, 3000 S John Young Pkwy in Orlando.

He lived by these words--“No regrets from decisions, No guilt in life, No fear in death, this is the power of Christ in me.”

“ To the Vogt family,

*I had the honor of working with Dr. for the past 7 yrs, I was immediately drawn to his personality and his dream of always enriching the lives of the patients we serve here at BioPlus. He would often stop by especially during baseball season and we would chat about the Rays and the Yankees. He was always approachable which for someone of his stature and status is quite rare. He was a man of God and I will miss him in earnest.*

*My deepest condolences to you and your entire family.*

*As he said " I have no regrets, no guilt in life, no fear in death. It's the power of Christ in my life." Know that I truly believe there is one more light in heaven because he is with Christ now.*

*Regards,*

“ *The many Bahamas trips with the Vogt's. So many great memories, even when we went down to Green Turtle and a crazy low pressure system moved in, rain, wind, and tight quarters could not keep us down. We would look at each other from the flybridges each morning as we were side by side at the club, and somehow made the most of it and found a way to laugh instead of cry. It turned out to be a great time as always with the Vogt's. Steve always looked at the positives and such an inspiration for all of us, taught me true values of life, family and friends,  
A truly great man and friend*

*Love you Steve and Vogt family*
