“ *It's been a bit more than a month since Mr. Stew (as he wrote it in his THD apron) passed away. I am so glad that I got to know him through The Home Depot, as we both worked in the Electrical Department. He was very helpful, honest, and a good friend to me. The last time I talked to him was in December when he called THD to wish me and my family a Happy New Year. We were very sad when we got the news. Our condolences to his family. Rest in peace, Mr. Stew.
