

Steve Lincourt

October 5, 1967 - June 5, 2023

Do not Fear: I am with you;
I am your God.
I will strengthen you,
I will help you,
I will uphold you
with my victorious right hand.
Isaiah 41:10

Beloved Steve Lincourt died peacefully at home on June 5th, 2023 in the early morning hours in Orlando, Florida at the young age of 55. He was an incredible friend and an even better father and husband. We know he is at peace and free of suffering.

Steve is survived by his wife Ester, and two sons Nick and Ben, as well as his parents Bob and Nancy, and 3 siblings, Sandy Butler, Sue Shain and Stacey Morin.

As many of you are aware, Steve fought colon cancer for almost 9 years and did so with incredible strength and courage and always with a radiant smile on his face. Despite this ongoing battle, Steve selflessly was always there for anyone in need.

More importantly, Steve taught us how to go from this Earth with tremendous

dignity. Together with his wife, they were a true example of the Sacrament of Marriage. He remains a faithful Christian leader to our community and beyond.

Steve was born on October 5th, 1967 in Sanford, Maine. He graduated from St Anselm's College with a Bachelor of Arts degree and a Master's degree in Healthcare Administration from Suffolk University. After college in 1995, he settled down in the Orlando area. Just last year, he celebrated his 25th wedding anniversary with his bride Ester. Being a big Tom Brady fan, he loved the New England Patriots and later followed the Buccaneers and of course his Boston Red Sox.

A funeral is scheduled for 10 am on Saturday, June 24th, 2023 at St Margaret Mary Catholic Church at 526 Park Avenue North in Winter Park, Florida, with a reception to follow. Father Walsh will officiate the ceremony.

His outlook on life will forever resonate with those who were fortunate enough to meet him or know him and we will strive to continue spreading his message of unity and compassion by being the light of Christ to others. We are grateful to all who have supported us and prayed for us during these most difficult moments and all are welcome to celebrate Steve's life with us.

In lieu of flowers, a donation is welcomed to Orlando Cursillo https://www.orlcursillo.org/?page_id=1161

“ Dear Neighbor.....My Dear Childhood Friend....

Thank you for the laughs, fun and constant smiles. I never remember you as tearful.....always joyful.

I can still see you running down the street. That awkward leg run, kickful and loving life.

I'd always be waiting to see or hear the scrape of the rear underneath of your Dad's convertible, as it entered the incline driveway from the street, come back after a weekend up at the lake. You'd be sitting in the back seat with the twins. Yeay!, you were home to play until the street light came on.

I'm not sure how as kids we managed to have a box of Milkbone dog biscuits out in the street and dares were going around to eat one between you, Tiff and I. I can still hear your voice "I'll do it. I'll be fine.mmmm, it's good! Not bad." You did so laughing the whole time. I thought for sure you would get sick! You didn't. Wish we could go back to being kids.

In high school.....everyone was in awe of how you managed to land dating so long the field hockey jockess Deb S. You were the envy of many around you. She saw you for who you are: kind, caring and fun Steve. The hugest of hearts.

I thank you old friend, for teaching me more about and seeing depths of courage, strength, resilience, and humbleness these past few years through sharing of your journey. Giving of self. To...love thy neighbor.....love each other.....live life today!

First Laura.....now you. Big guy upstairs has two more beautiful souls with him from our class...from my childhood friendships....way too soon.

Mine and Mum's heartfelt sympathies and strength to your loving family and close friends during this difficult time and days ahead. Godspeed and peace Steve.

Because of you, Steve, we will never be the same. Because of your kindness and generosity, our challenging three years in Winter Park were filled with hope. I believe you lived your best life, and you lived what Mother Teresa instructed: "Let no one ever come to you without leaving better and happier. Be the living expression of God's kindness: kindness in your face, kindness in your eyes, kindness in your smile." We love you, Steve!

Dear Ester, After I sat with you on the plane ride home from Israel in 2017, my husband and I placed you and Steve in our book of prayer intentions so we would pray for you each day. On the plane, I had mentioned about a woman who wore her wedding gown at Cana and you replied, "that was me." In looking through my prayer book this afternoon, I found Steve's business card. When I looked up the website it was not there, and I suspected he may have passed away. This thought has led me to this sad news. What a profound video and truly a Godly man. Our condolences at such a deep loss--though many years later, no less sincere. I find myself crying for a man I met on a plane ride seven years ago. I know he is with God and for this I am grateful. May our Lord continue to touch you with his incredible love. Arlene De Mar
