

## Steven Thomas Daley

July 2, 1952 - August 26, 2016

Steven Thomas Daley was born on July 2, 1952 in Boston, Massachusetts. Shortly after high school graduation he moved to Orlando, Florida and started to raise a family. He was called to Heaven on August 26, 2016 where he was greeted by his parents, Paul and Kathryn Daley, his son Joseph Daley and his best fur friend Max who arrived there before him.

Steven left behind two daughters, Anita Crenshaw and Sueda Daley and a son, Michael Daley; six Grandchildren Taylor, Wayde and Bryce Crenshaw, Owen, Sydney and Colton Benbrook. As well as three sisters Kathy Mullin, Pat Lambiase, Joyce Clifford, and a brother, Paul Daley. He also had many Nieces, Nephews, Aunts , Uncles and Cousins that loved him very much. He was a kind and loving man who would give you the shirt off of his back if you needed it. He was loved by so many people.

Steven spent his career as a warehouse manager for Reynolds Aluminum. In his free time he enjoyed riding his Harley Davidson motorcycle, playing pool, drinking beer, and spending time with his family and friends.

Steven will be missed by many but they take comfort in knowing that he is no longer suffering.

In lieu of flowers, please send donations to the Altamonte Springs Special

“ I remember when Steve received a tin of black jellybeans.

*He laughed and said I have to tell you a cute story. When my kids were little and got Easter baskets, I would pick out the black jelly beans because I knew they didn't like them.....not that I liked them \*smile So I think because they saw me do this, they thought the black jelly beans were my" favorite", didn't have the heart to tell them any different, just loved that they noticed.*

“ *Brad and I met Steve while he was living with Pat ❤️ He was a great guy and had a great sense of humor .. I read Denise's memory and remember her talking about the infamous Steve years ago .. And then there was Max I never got the the furry dog kisses because I never got close enough 😞 He may have been little but I feared for my life when around him .. Loved to watch Steve and Max together best buddies and they are together again xoxo*

“ I've thought about my memories of Steven and how we met and decided to post this in his memory. I knew Pat for many years I met her brother Paul and sisters Kathy, Joyce and their families. Oh but I was told about Steven.....whom over many years I had never met. He always had left 10 minutes before I got there hence becoming the infamous Steven. But finally the day came that I met Steven coming up a set of stairs looking a lot like a young Steven Segal we spoke briefly and I saw him at family gatherings a few times more. Then he moved in with my friend his sister Pat. He joined us when we had coffee and we had many laughs. Max greeted me at the door and gave me the softest puppy kisses. Steven was a thoughtful, caring man that always made me smile I will miss his texts and his visits. My sincere condolences to his whole family near and far.

*Thank you for being a great Dad to my grandchildren and wonderful son and friend to me! b You never made me feel like a mother-in-law, but as a mother. We never had unkind words and you always treated me with love and respect. I am deeply grateful for the wonderful job you did with my grandchildren! It hurt me greatly to see you hurting and nothing I could do. I love you as a son and will miss you greatly. Until we meet again keep a watchful eye on us! Nana (Geri)*

“ Steven has been a very special person in my life since the day I met him more than 38 years ago. We raised a family together and remained friends even after we divorced. He remained in touch with our children, myself and my mother. I will always hold a special place in my heart for him. He was there whenever we needed him for anything and I will be forever grateful for that. I am so very glad that you are no longer suffering. Always in my heart! Rest in Peace Steven!

“ *Do Not Stand By My Grave And Weep*

*By Mary Elizabeth Frye*

*Do not stand at my grave and weep  
I am not there; I do not sleep.  
I am a thousand winds that blow,  
I am the diamond glints on snow,  
I am the sun on ripened grain,  
I am the gentle autumn rain.  
When you awaken in the morning's hush  
I am the swift uplifting rush  
Of quiet birds in circled flight.  
I am the soft stars that shine at night.  
Do not stand at my grave and cry,  
I am not there; I did not die.*

*I love you little brother and wish you were still here. It hurts me thinking you are gone (for now at least). It hurt me to see what you were going through and it hurt even more knowing there was nothing I could do to make my baby brother feel better. I couldn't kiss it and make it better. I love you so very, very, much, no matter what you will always be my little brother (the same little brat that pushed me through a turn-style at Ashmont Station forcing us to walk home after your first Communion. Give mom and dad a big hug for me and with your new voice, tell them how much they are missed and loved. See 'ya later.*
