AN

“ Steve was my brother in law but he was the same as a blood brother to me. He was there when we needed him; pretty quiet most of the time but always available to give you a smile or tell you a little story or joke. He was a good family man right up to the last breath he took. He's never going to be forgotten by those that loved him and we know he's in good company and watching over his loved ones still.
