“ *My condolences to family and friends. I am grateful to have met Steve and share the time I did with him. I've never seen a more optimistic person, even in time of declining health. His character was easily depicted from the average person, and difficult to forget. I never saw a shade of doubt, nor corruption in this gentleman. I will miss Steve, and I will remember his influence. Daniel.###imported-begin##Daniel Beckler###imported-end##*
