“ *Lisa - Mother to Niece & Nephew posted a condolence My heart felt condolences to Paula, Kristin and the family. I was deeply saddened to hear of Steve's passing. I know, I do not have the words that will take the sorrow from your hearts. He and I had our good times and at times he was so mad at me he could spit nails. He will be missed. “ Ethel & Richard Fentzlaff - friend posted a condolence We did not know Mr. Fountain, but we do know his daughter, Krystin. To have such a nice daughter, means to me, that he had to be a nice man and great father. Krystin would tell us about the great times she and her Father had. He will always have a place in the heart of those who knew him and loved him.

“ *Kathi - Sister in law posted a condolence Dearly missing you Steve. We are comforted with thoughts of you in your final resting place with God in Heaven having a new body without suffering. You were always so good to our family. Many fond memories of you helping when we had problems with plumbing, lawnmowers, and flat tires. You would stop what you were doing to help others. I especially appreciate how you took care of my sister Paula, rebuilding your home and the love and care you showed to Krystin, Ryleigh and Teaghan. You had a lot of goodness in your heart that we will miss dearly until we see you again someday. Praying that your family and friends will find comfort in God's love during this time.
