“ I’m at a loss for words. I know your Grandma grandfather your mom your Aunts and uncles your cousins love you so much. And JJ just adored you. He was his Stevie and always will be. You guys used to be like three peas in a pod when you were younger. Football games, always tossing the football with Jaden and Mylan.. laughing at Jaden when he passed out on a roller coaster. We love you and we’re truly going to miss you.

“ My Rattlesnake,  
Where do I start? From the time you were born till the day my world was swept away. You were my life, and I don’t know how I’m going to get through this but I want to thank you for every second that you were in my life. I always loved you with all my heart and soul, and I will continue to do so for eternity.  
Till we meet again, same me a seat in Gods kingdom. Pap loves you Rattlesnake.

“ Before I moved away almost 4 years ago Stevie told me “as long as you don’t go to Hawaii, they have a lot of natural disasters like volcanoes”- I’ll never forget how caring such a young boy could be.
