“ Steve and I worked at Kodak for many, many years. Recently we reconnected and were working together with his connections in China. I just discovered he passed.

The pain of his loss is more than I can write. God bless you my friend and I look forward to seeing you in the the hereafter. You meant more to me than I can express.

“ Steve was on of the first people get to know me and encourage me on my mail route. I am Steve and Norma’s mailman. I met Steve about 3 years ago. Several times during the summer he walked over to check on me and several times brought me an ice cold Diet Coke. That small gesture meant a lot to me. He talked about trips to Va and NJ to visit kids and grandkids, and some projects too! My heart goes out to Norma all of the family. Many prayers and thoughts to all of you. Kevin-mailman

“ Miss you Dad. I learned so much from you in the almost 30 years that I've known you. My biggest lesson, is don't get so hung up on the details and planning that you are forever frozen from taking that first step.....'Close enough...let's Go!'

Love you Dad.
