“ Steven,
I did not have the opportunity to say my last good bye to you. I actually just learned a couple of days ago you passing away. The news up set me beyond words.
I remember the last time you visited Florida. How much fun and laughs we had (until our bellies hurt). Our silly phone calls (Only you & I were able to understand the bond we had and to make amends). That's how I will always remember you. You are at peace now. My prayers & love will always go out to you & your family.

“ My son Justin worked for Steven at True Garage Door. Justin had nothing but good things to say about him. He was impressed by his talents and work ethic. I am so sorry for your loss. My prayers are with you. Alma Flynn
