“ I'll love and remember my son forever. There are so many memories that will always be with me, but the most wonderful are going to be those that arose during this past week and the pride I will always carry for those Steven touched. My memories will be for Steven and ALL of his wonderful friends and their heartfelt outpouring of love and devotion. I can't tell each of you, but thank you from the bottom of my heart. I knew Steven was a good person, but I didn't realize HOW good until now. Rix was truly loved and that has given me pride that will last a lifetime. Thank you all!!
